

# make charminster a better place to live

queen's park  
neighbourhood forum  
planning for the ward and charminster road

## Our local wildlife – Our public spaces – Our neighbourhood plan

What matters most to you about our green spaces and amenities? Come and have your say, join the forum if you want. It's free.

Announcing a public meeting/consultation of our Neighbourhood Forum to help in creating a plan for Charminster & Queen's Park.

### Some of the ideas we'll be talking about:

- Connecting green spaces: Safe walking and cycling routes to bring everyone closer to parks and green spaces
- Encouraging wildlife: protecting our back gardens and "green corridors"
- Improving well-being: a better environment, more trees, healthy living
- Staying safe: managing our drainage and sewers

***Tell us what matters most to you.***

**Wednesday 27th March 2019**

7:00pm – 8:30pm

**The Brunswick**

199 Malmesbury Park Road

***Everyone with an interest in our area is welcome***

Green spaces and amenities is just one of the areas our forum is working on  
Come along and find out about everything we're doing

The Neighbourhood Forum is a group of local residents creating a plan for Charminster & Queen's Park. The Neighbourhood is the electoral ward called Queen's Park, from Wellington Road to Queen's Park Avenue between Charminster Road and the Wessex Way. The forum's work will result in binding planning policies for the future.
